Hometown: Wherever we're needed!

Information

Website: <http://www.cox.com>

Current Location: We're International!

Influences: Digital Creation

Biography: Hi, we're the Digis. We're here to help you get more of whatever it is that you want. We stand about a foot tall and work really well in teams, so when you need us we'll be there. And because of our size, you won't even know we're there...

The Digis wrote a note. 11:44am

Who are we?

Good question. Check out our commercial so you can get an idea of where we come from. But as far as what we do, it's pretty simple. We're here to help you get more out of what you're into. So whatever that is, we'll be there to help...
