Service of Process - Cox Communications and its subsidiaries accept service of subpoenas, warrants and court orders, subject to payment of costs, by email at SubpoenaResponse@cox.com or by fax at (404) 269-1898. We do not accept service at any of our local offices. Our physical address is Records Custodian, Cox Communications, 6205-B Peachtree Dunwoody Rd, Atlanta, GA 30328. Physical service may be made on the agent for service of process for Cox Communications, available from the Secretary of State wherever we do business or on Corporation Service Company, 40 Technology Parkway South, Suite 400, Norcross, GA 30092.

Restrictions - Acceptance of service by facsimile or email is strictly conditioned upon payment of charges. Cox reserves the right to require payment in advance, to withhold delivery until payment and to seek enforcement of charges, including cost of collection. Entities that fail to pay charges must serve process upon the registered agent for Cox Communications within the appropriate state and requests for expedited response will not be granted. You will be notified if hourly charges apply and can request an estimate.

Response Time - Requests are handled in the order received, subject to pending expedited requests. Responsive information is generally provided within 10 business days. Expedited response for information other than call records, if available resources permit, will generally be provided within 3 business days. Extensive toll and call record detail requests may require 30 days or more.

Questions - During business hours Eastern Time, all questions should be directed as follows:

- **Fax:** (404) 269-1898
- **Email:** SubpoenaResponse@cox.com
- **Phone** (404) 269-0100 (Voice messages will be returned within 1 business day)

Status Requests - For security reasons, all questions must be submitted in writing along with a copy of the subpoena and response. To prevent delays in response to your request and those of others, please do not ask for the status of a request prior to 10 business days for subscriber information, 3 days for expedited requests and 30 days for call records. You may then fax a copy of your original subpoena with a cover page asking for the status.

Records Retention - The following retention policies generally apply to frequently sought records:

IP Assignment Logs	Up to 6 months
Subscriber Information	3 years
Call Records	18 months (up to 36 in certain states)
Home Security Activity Logs	2 years
LEA Preservation Requests	90 days (additional 90 days upon further request)

Requirement for Court Order or Warrant - Except as provided in 18 USC 2703, content of communications may not be provided without court order or warrant.
