Why You Should Choose Cox Business TV Service

**Cox Business TV** service provides superior picture, sound quality and reliability, and offers up-to-the-minute news, entertainment, events, sports and financial information for your business.

Whether you’re a bar or restaurant that wants to give your customers the widest range of sports coverage, a business that wants to provide television viewing in employee lunchrooms and break rooms, a financial center that needs the latest important business and financial updates, or a business that’s just looking to keep your employees and customers informed of local, national and international news, you can take advantage of flexible programming options and over 200 channels of digital cable television and HDTV.

When your business chooses Cox Business TV, you enjoy an array of benefits:

- **Stay informed.** Whether it’s local sports, weather updates or headline-making international news, your employees will always be in the know.
- **Stay up-to-date.** You’ll receive up-to-the-minute business updates, stock information and financial news, helping you to make the quick decisions needed to keep your business ahead of the competition.
- **Create an atmosphere.** With Music Choice, you can create an inviting atmosphere that will make your employees, clients and customers feel comfortable and welcome. And with on-hold music from Cox, you can keep callers entertained.
- **More choice.** With our flexible programming options, you can pick from a wide variety of programming options and enjoy your choice of sports, entertainment, network and news channels, plus much more.

- **Superior quality and reliability.** Our superior hybrid fiber-coax network delivers crystal-clear picture and sound. Our service is also weatherproof, and our “up time” ranks among the industry’s highest.
- **Easy installation.** Our expert staff will take care of everything. Installation and any included inside wiring will be done during normal business hours with the utmost discretion.
- **Exceptional service and support.** Local and responsive, we monitor our own state-of-the-art network 24/7 and are always ready to help you get the most from your TV service.
- **More convenience.** Add high-speed Internet or digital telephone to your communications and enjoy the added convenience and efficiency of having one bill from one provider, as well as one local team meeting and servicing all of your business needs.
