

COX HOMELIFE DEVICES BATTERY REPLACEMENT INSTRUCTIONS

THERMOSTAT

Centralite Brand

AA Battery (4)

- 1 Remove the front cover by pulling the outer edges of the thermostat toward you.
- 2 Remove the old batteries and dispose of them properly.
- 3 Observing proper polarity, insert four new AA batteries. Be sure to take note of the type of AA batteries initially installed – lithium or alkaline – and replace with the same type of batteries.
- 4 Replace cover by gently snapping it back into place.
