

Home Alarm System Installation

This certifies that Cox Homelife has installed monitored security services at the following premises and is active as of the date printed.

Name _____/_____/_____
Active as of

Address

City State ZIP

PROFESSIONAL MONITORING

Cox Homelife provides 24/7 professional monitoring utilizing state-of-the-art, UL Listed and 5 Diamond certified monitoring centers, provided by C.O.P.S. Monitoring.

- 24/7 monitoring
- 24-hour battery backup
- Cellular network backup, where available

DETECTION SERVICES

- Burglary
- Panic/duress
- Fire (smoke/heat detection)
- Carbon monoxide

BURGLARY DETECTION DEVICES

- Perimeter door sensors
- Perimeter window sensors
- Motion detectors
- Glass break sensors

Please note: The presence of point-of-entry sensors does not indicate full perimeter coverage and requires the system to be armed to trigger an alarm.

NOTIFICATION SERVICES

- Water/flood
