<sup>1</sup>Display measurements are diagonal, and actual viewable area is less due to rounded corners and camera hole punch. <sup>2</sup>Typical value tested under third-party lab condition. Rated (minimum) capacity is less. For more information, please visit [www.samsung.com](http://www.samsung.com). <sup>3</sup>Charger not included; use only Samsung-approved chargers and cables; do not use any worn or damaged chargers or cables; incompatible charger or cable can cause serious injuries or damage to your device. <sup>4</sup>Wireless charger sold separately. <sup>5</sup>PowerShare works with most Qi-Certified devices. Requires minimum 30% battery to share. Speed and power efficiency of charge varies by device. May not work with some accessories, covers or other manufacturer's devices. If you have trouble connecting or charging is slow, remove any cover from each device. May affect call reception or data services, depending on your network environment. <sup>6</sup>Portion of memory occupied by existing content. <sup>7</sup>Consistent with IPX8 rating, water resistant in up to 5 feet of fresh water for up to 30 minutes. Rinse residue / dry after wet.
